

About

Setting up a studio is expensive business.

A wallet-friendly option is available to suit various users' habits of working

As a studio user, you will benefit from unlimited clay and assignment of shelf and storage space*.

If your work is often spurred by immediate inspiration, you can book into our studio as a **one-time user**. For users who would like to do 1-2 session a week, a 20 or 40 hour pass will serve your needs.

Develop your craft in a conducive and creative space without having to worry about equipment investment and maintenance.

CONDITIONS FOR USERS SCHEME

★ **Period of validity** is strictly not extendable.

Users are required to **clock in biometrically** upon stepping into the studio. Please ensure you clock out before you leave. In the event of non performance, management reserves to terminate the scheme without advance notice and refund.

★ **Use of equipment:** All users need to have prior knowledge in using pottery equipment such as the throwing wheel, banding wheel and slab-roller. Studio manager requires proof of basic level skill before approving. Wheel throwing users need to have attended at least one Throwing Course.

★ This scheme is only **eligible for 18 years and above**. Exception is based on assessment by the studio manager.

★ **Full studio user rates** apply to participants 18 years and below. These participants need to be accompanied by guardian at all times.

★ **Use of clay** is limited to studio use only.

★ **Use of studio area** is limited to assigned wheel or space. In the event of infringement of usage, management reserves the right to terminate the rights to studio use.

★ **Liability Release.** The acceptance of this scheme releases the management of claims arising from injuries arising from the use of equipment and space.
